

FA CRIMINAL RECORD CHECKS GUIDANCE FOR COACHES

**VITAL INFORMATION FOR EVERY
COACH OR MANAGER OF A YOUTH TEAM**

**PLEASE TAKE A FEW MINUTES TO READ THIS LEAFLET.
IT COULD SAVE YOU – AND FOOTBALL – HOURS OF HEARTACHE.**

LET'S MAKE SURE FOOTBALL'S **SAFE – NOT SORRY**

Most children have a really great time playing football – and long may that continue. With you, our job is to ensure they continue to enjoy the game in a fun and safe environment. The FA and County FAs recognise their collective responsibility for children and young people within football. Clearly, this same duty of care is shared by every coach or manager within youth football. So this document is a reminder of your responsibilities, now that FA CRBs have changed to FA CRCs: Criminal Records Checks. Anyone working in an eligible role directly working with children and young people – such as coaches and managers – completes an FA CRC as part of responsible recruitment practice – and then be approved to work in football.

Note: When the word/phrase ‘children’ or ‘children and young people’ is used in this document, this means persons aged 18 and under, playing in organised leagues. It currently does not include this age group playing in open-age football.

WHO NEEDS A CHECK?

Everyone aged 16 years or over who undertakes any unsupervised roles with children.

These roles could be managing, training, coaching and supervising. They include giving advice or guidance on well-being, caring for children or driving a vehicle solely for children on behalf of a club or organisation. And by children, we mean anyone under 18.

Anyone performing these roles MUST obtain an Enhanced Criminal Record with Children’s Barred List Check. This Check is made against the Government’s national list of those people barred from working with children (the ‘Children’s Barred List’). Then the checked person has to be approved to work in youth football.

For a full list of those eligible go to: www.TheFA.com/football-rules-governance/safeguarding/criminal-records-checks or follow this [link](#)

WHY DO YOU NEED ONE?

Mainly because of football’s overall responsibility to children, their parents and carers.

Rightly, parents and carers are increasingly asking people in football two questions:

1. Are you following the correct procedures when recruiting people to work with children?
2. Are all the relevant people checked?

The response has to be ‘yes’ in both cases if the integrity of clubs, leagues, County FAs and The FA is to be preserved.

As a coach or manager, if you don’t have an in date accepted FA CRC check in place, we will not be able to use you in your vital and valued role in youth football – and no-one wants that.

It all comes down to the strapline on the front of this leaflet: Let’s make sure football’s safe – not sorry.

HOW LONG DOES A CRC LAST?

Three years. Criminal Records Checks are a snapshot in time and therefore need to be renewed. We do this every three years to ensure The FA has current conviction and barring information on the people working with children and young people.

Note for members of The FA Licenced Coaches Club

If you are already a member, or intend to become a member, of the FA Licensed Coaches Club you will need to ensure your CRC is In-date prior to your application or renewal. For information on FAL requirements please click here go to: www.TheFA.com/st-georges-park/discover/coaching/licensed-coaches-club or email FALicenceQuery@TheFA.com

WHAT CONSTITUTES AN 'IN-DATE' OR CURRENT CRC?

To be 'in-date' means:

- CRBs (the former name) with an issue date prior to 2010 need to be renewed before 1 September 2014.
- CRB/CRCs with issues date of 2010, 2011 or 2012 need to be renewed before 1 September 2015.
- CRCs issued in 2013 should be renewed in line with The FA three-year renewal policy – i.e. before 1 September 2016.

CAN YOU APPLY FOR A CRC ONLINE?

Yes – and we'd prefer you to use this method. It's cheaper, easier and faster.

When you apply for – or renew – a CRC online, your Club Welfare Officer (CWO) will still need to see your original ID documents. But your Club CWO can now verify these online as well.

For more information when applying for your CRC online please speak to your Club Welfare Officer or contact your County FA. For queries relating to FA CRCs you can also contact The FA CRB (Criminal Records Body) on 0845 210 8080 or via email to: FAchecks@TheFA.com

DO YOU NEED A NEW FA CRC IF YOU ALREADY HAVE A CURRENT FA CRC, BUT HAVE STARTED AS A VOLUNTEER WITHIN ANOTHER GRASSROOTS CLUB?

No. If you already have an in-date FA CRC you do not need another one for your new role within grassroots football.

Also, if you have a CRC from outside football which you wish to bring into football, you may not need a new one, provided it meets the portability criteria:

- It has been registered for the DBS (Disclosure & Barring Service) update service.
- It is for the right work force (Child).

There is a one-off charge of £10 for 'porting' a CRC from outside football into The FA. For most volunteers it is quicker and cheaper to apply for an FA CRC.

CAN I RENEW MY FA CRC AUTOMATICALLY?

Yes. You can now have life-time renewals of your FA CRC which means you will not need to reapply every three years.

To take advantage of this you will need to:

- Register your CRC with The Disclosure and Barring Service (DBS)*
- Inform The FA Criminal Records Body who administer the Checks. They will charge an annual £10 administration fee.

**you must register your CRC disclosure with the DBS update service within 19 days of Issue.*

Once registered for this service, The FA CRB will make annual checks on your CRC status for as long as you remain in football.

ISN'T HAVING A CRC A BIT INTRUSIVE?

It's certainly not meant to be – it's simply a way any organisation involved with children should operate and is a requirement under the Protection of Freedoms Act, 2012.

However, we fully understand that as soon as your Welfare Officer informs someone they need a CRC, that person may be affronted by the implication that there may be something inappropriate or untoward in their behaviour. This is perfectly understandable.

Nevertheless, The FA, County FAs and clubs with youth teams have a responsibility to ensure that no-one barred from working with children is allowed to work or volunteer within youth football.

Everyone would surely agree that we must provide a safe infrastructure for children and young people to participate in our national game.

Carrying out the right checks, ensuring those in key roles are educated on the indicators of abuse – and know how to refer any concerns – are fundamental to creating a fun and safe environment.

Approximately 300,000 Checks have been undertaken in football within the last 10 years. That covers coaches, managers, referees, welfare officers and regular first-aiders within youth football, as well as all other types of roles within the game.

This is one of a series of information guides The FA is producing for those working in football with children about the importance of having a current Criminal Records Check in place. When completed, they can be read and downloaded from www.TheFA.com/football-rules-governance/safeguarding/criminal-records-checks or by following this link
